

Marpool Primary School

Pride2Ride

At Marpool we strive to educate our children in all aspects of life as well as their general education, this includes knowing their own self-worth, good behaviour and their respect of their own and other children's possessions.

To help them understand that some good things in life need to be earned we are making the riding bikes and scootering a privilege. A 'Pass' will be issued to each qualifying pupil on a termly basis. Any undesirable actions or behaviours whilst using bikes or scooters may result in this privilege being taken away.

The Pass will be given to your child for them to look after (like a bus pass or passport), to make it relevant to each child we have asked for some details about their bike or scooter and asked that they agree to the terms of use below...

Name of pupil: Age: Class:

Make of Bike/Scooter: Colour:

I have passed the level 3 Bikeability and can ride alone Yes No

I agree to ride/scoot sensibly at all times Yes No

I agree to walk with my bike/scooter on school grounds at all times Yes No

I will lock my bike/scooter on school grounds Yes No

And a quick question, please complete this sentence;

I would really like to bike or scoot to school because...

.....
.....
.....

Please Note: Pupils must not enter bike/scooter parking places other than arriving or departing school.

No responsibility will be taken by the school for loss or damage.
