Hardship Fund

At Marpool, we occasionally receive donations to the school which we have decided to hold as a hardship fund. This fund will be awarded to pupils to reduce the cost of a school residential trip. The decision will be made by the awards panel, comprising the headteacher and two school governors. You may apply for the hardship fund by writing to the awards panel and handing in or emailing your letter to the office. It will be discussed at the next Personnel and Finance Committee meeting. The office will be able to advise you of the date. The more information you can include the better.

The hardship fund will be a maximum of £50 per child. A child can only be awarded the hardship fund for one residential trip in their school life. It is not possible to support all children. We hope that this helps all that need it and allows you to plan a residential trip for your child during their time at school.
